No. 110. Read the following letter from the Magistrate of Malabar, to the Acting Chief Secretary to Government, Fort Saint George ; dated Calicut, 9th August 1867, No. 91.

The Vice-President of the Municipal Commissioners of Cannanore has brought to notice that four-wheeled carriages on springs, drawn by two bullocks, are not specially provided for in Schedule C of the Towns' Improvement Act. This style of conveyance seems to be the conveyance of the place, and if it is not taxed to the Municipal Funds they will suffer seriously, and with no good reason ; but as no mention is made of four-wheeled carriages on springs, drawn by bullocks, in the schedule the Commissioners doubt their power to assess. I have the honor to request the instructions of Government on the matter.

No. 111. ORDER THEREON, 15th August 1867, No. 999.

The Government are unable to sanction the Bye-laws under which it is proposed to tax four-wheeled carriages drawn by bullocks, under Schedule C, such taxation not being apparently contemplated by the Act.

2. The omission to provide for the taxation of such vehicles will be borne in mind when the revision of the Towns' Improvement Act is undertaken.
