Read the following papers :—

No. 127. From the President of the Municipal Commission, Mangalore, to the Chief Secretary to Government, Fort Saint George; dated Hosdroog, 7th March 1868, No. 24.

In pursuance of the provisions of Section 31 of the Towns' Improvement Act, X of 1865, and Government Proceedings, 11th July 1867, No. 820, Public Department, I have the honor to submit the statement of proposed expenditure and estimated receipts of the Municipality of Mangalore for the official year 1868-69, accompanied by the Police Superintendent's estimate for the Town Police.

2. As proposed by the Superintendent of Police, the Commissioners recommend for the sanction of Government an increase of six Constables to the present staff of the Town Police, for the efficient patrolling of the town.

3. The allotment of Rupees 500 for a Police Station-house in the current year's budget having been found insufficient, the work could not be commenced this year. The Commissioners have, therefore, raised the amount to Rupees 1500, at the request of the Superintendent of Police.

4. A more liberal allowance than that of the current year for repairs of roads has also been found necessary by experience.

5. As additional work will devolve upon the office establishment during the ensuing year, in consequence of the introduction of the tax on carriages and animals, provision has been made for an extra clerk, on Rupees 15 per mensem, for six months.

6. A list of persons proposed to be re-appointed Commissioners for the ensuing year is enclosed.

No. 128. From the President of the Municipal Commission, Mangalore, to the Chief Secretary to Government, Fort Saint George; dated Mangalore, 10th June 1868, No. 44.

In pursuance of the wishes* of Government, I have the honor, on behalf of the Commissioners of the Municipality of Mangalore, to submit the enclosed revised Budget.

* Government Proceedings, dated 6th May 1868.

2. It will be seen that, to guard against a deficit, it was absolutely necessary to postpone the building of the proposed Police Station†, to lessen‡ the strength of the Police Force, and to take credit for all recoverable arrears and such portion§ of the present tax on trades as will not clash with the new Government imposition (Act IX of 1868).

† Rupees 1,500.
‡ Rupees 606-6-0 per annum.
§ *i. e.* incomes under Rupees 500 per annum.

3. The Commissioners are unwilling to raise the house tax beyond 5 per cent., which is already felt heavy and unequal in its incidence on the several classes composing the Municipality.

4. The Commissioners desire me to represent respectfully, yet earnestly, that by the introduction of Act IX of 1868 into Municipalities, the Government is encroaching on one of their main sources‖ of income, is taking from them interest, faith, and vitality, and reducing them to such a crippled state as to be a simple machinery for the maintenance of the Town Police, without the means of that self improvement which they had desired, and for which specially the Towns' Improvement Act was ostensibly framed.

‖ Rupees 3000.

5. The Commissioners desire me respectfully to urge on Government a consideration of the justice of not putting Act IX of 1868 in force in Municipalities, or at least in this, which, the Government are aware, has exerted itself even beyond its means¶, being already in a state of indebtedness, and, while cheerfully taxing itself in extra items, little anticipated an encroachment on funds on which the Commissioners had been led to rely.
