From,

George Thornhill Esq
Acting Collector & Magistrate
Madras District

To,

The Honorable P. S. Ellis C. B
Chief Secretary to Govt
Fort Saint George

Sir,

I have the honor to request
you will be good enough to obtain the
sanction of His Excellency the Governor
in Council, to introduce a system
of Tolls under Section 57 of the
Towns Improvement Act in the
Municipality of Coovenaar

2. Mr. Cockerell, in his letter of the
20 July 1866 No 136, did not deem it
expedient to resort to tolls because
he was of opinion that the income
derived from them would not be
sufficient to put up toll gates

and maintain the requisite establishment,

3. Now, however, some respectable merchants in the Town have come forward and have offered to contract for the collection of the Tolls, and there will, therefore, be no risk of loss to the municipality.

4. I think, therefore, the system may be tried for one year, and, if found to answer, may ^{be} continued.

The estimate of receipts is small as the Great Feast being over, the chief source of income is removed.

I have the honor to be

Sir
