Adverting to your endorsement, No. $\frac{3247}{1262}$, dated the 10th instant, * on a letter to your address from the Superintendent of Police, Bellary, No. 188, dated 29th June 1868, requesting my opinion as to whether Sundays and holidays

should or should not be excluded in claiming the cost of guards over convicts employed by the Bellary Municipality, I have the honor to state that it appears to me that the Acting Vice-President is right in his objection to pay for the cost of the guards on those days on which the convicts are not immediately employed in the service of the Municipality. The question, however, appears to be one for the Government, rather than for this office, to decide.
