*Proceedings of the Madras Government, Public Department,
19th August 1868.*

No. 168. Read the following letter from Colonel C. A. DENISON, President of the Madras Municipal Commission, to the Chief Secretary to Government, Fort Saint George; dated Madras, 7th August 1868, No. 694.

I am desirous of taking leave to the Neilgherries, for 60 days, from the 24th instant, I would not ask for so long a period, did I not feel that, after close attention to my duties since Christmas, with the exception of a week at Easter, I require such a change, and that I could, with confidence, entrust the management of this Department to my Assistant, Mr. Cardozo.

2. Should Government accede to this, it will be necessary to direct that all cheques on the Municipal Fund, signed by that Officer, shall be paid by the Bank of Madras; as, under Section 8 of Act IX of 1867, it is only lawful for the said Bank to pay all orders and cheques against the said fund which are signed by the President.

No. 169. ORDER THEREON, 19th August 1868, No. 1023.

The Government are not prepared, under Section 13, Act IX of 1867, to grant to the President of the Municipal Commission leave which is of the nature of privilege leave, for so long a period as two months. The Government are also of opinion that it may prove inconvenient to allow an Officer in the position of President of the Municipal Commission to accumulate privilege leave. As a compensation for this restriction, they consider that he should be allowed six week's privilege leave in each year.

2. Colonel Denison will accordingly be granted six weeks' privilege leave from the date of his availing himself thereof.

3. Mr. Cardozo, the Assistant to the President, will officiate, during Colonel Denison's absence, as President of the Municipal Commission, and, in that capacity, will sign all orders and cheques usually signed by the President under Section 8 of Act IX of 1867.

The Government
considers that leave granted

as circumstances permit,

rules in force, in respect
of officers in the service
of Government. Acting
upon this principle

they resolve to grant to
the President of the
Municipal Commission
privilege leave for one
month.
