Proceedings of the Madras Government, Public Department,
27th August 1868.

No. 216. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 14th August 1868, No. 261.

In submitting the enclosed correspondence relative to extra articles of diet prescribed for certain patients in the Lying-in-Hospital, I have the honor to state that I quite concur with the Superintendent of that institution as to the absolute necessity for such extras in cases of the description mentioned by him.

2. I would, therefore, respectfully solicit that Government may be pleased to declare the order marginally noted to be applicable to patients in the Lying-in-Hospital receiving a money allowance, as well as to those dieted in other Civil Hospitals at the Presidency, under the same conditions as to responsibility on the part of the Medical Officer, and the submission of full explanation by him to the controlling authority.

No. 217. . ORDER THEREON, 27th August 1868, No. 1056.

Resolved, accordingly, that the orders of Government, 21st March 1866, No. 236, relative to the issue of extras to the Native sick in Civil Hospitals under the conditions therein laid down, be considered applicable to Native patients in the Lying-in-Hospital receiving a money allowance.

(True Extract).

Chief Secretary.

To the Inspector General, Indian Medical Department.
,, Examiner of Accounts, Medical Department.

Ed. J. Tulloch.

July 11

Office of Examiner of Accounts
Medical Department
Wash DC Aug 1868.

From
Surgeon Major C. Thacker, M.D.
Examiner of Accounts Medical Department
To The Superintendent
Wash DC

By way of Mr. Baskin
Wash DC

Sir,
With reference to your letter of the 15th of July 1868.
In which you state that under
the explanation given the cost of the extra
articles of diet which have been actually
used has been proper but it seems to me
that you are under a misapprehension.
Regarding the order you quote being applied
to the Station Patients receiving a money
allowance. Extra are sanctioned by that
order for Station Patients in Civil
Hospitals as the President but no provi-
sion is made for any diet articles being
issued to those for whom a money allow-
ance is granted. Should you consider
such a provision necessary I must agree
that you will obtain the requisite sanction
to enable this Office to pass such charges in
future.

I am Sir your obedient servant
C. Thacker, M.D.
Surgeon Major
Examiner of Accounts Medical Department
Wash DC
By way of Mr. Baskin

Lying-in Hospital
3rd August 1888.

73

To the Superintendent
Lying-in Hospital.
To the Deputy Inspector General
Indian Medical Department.
Residing Division.

Sir. I have the honor to forward copy of the
Accompanying Letter of the Ex-Officio of Accounts and
Department No 711 dated 20th July 1888 in
reference to an objection of that Office to the
Charge in the Monthly Letter of the Lying-in H.
for April, May and June last for Extra Work
Paid of Maternity to the Station Patients who
are in Receipt of a per diem allowance in
form of Stipend.

The Order Alluded to, as quoted by
me in reply to the objection statement, is
No 206 of the 21st March, 1886, which was
passed as a Reference made by the Surgeon
and Physician of the General Hospital in
Regard to the issue of Extra Stipend to Station
Patients of that Institution.

The Charge^{now} objected to, for the
three months, amounts to Rs. 7-3-6.

It is admitted that the daily allowance
of 2 Annas to the Station Patients of the Lying-in
Hospital is less than the Cost of the ordinary
Stipend Allowed in the other Civil Hospitals,
but considering it as the equivalent of
the latter, it is only sufficient for a person
in the state, or suffering from an ordinary
illness, and quite inadequate to meet the
Requirements of exceptional disease, in the
treatment.
