*Proceedings of the Madras Government, Public Department,
27th August 1868.*

No. 224. Read the following letter from the President of the Municipal Commission, Cuddapah, to the Chief Secretary to Government, Fort Saint George ; dated Cuddapah, 11th August 1868.

In accordance with Section 77 of Act X of 1865, I have the honor, at the desire of the Municipal Commissioners for the town of Cuddapah, to request you will be so good as to obtain the sanction of His Excellency the Governor in Council to raise a loan of Rupees 11,000, at an interest of seven per cent., for the purpose of constructing a Market within the town of Cuddapah.

2. The Municipal Commissioners offer the Market buildings, and the rents or incomes arising from the Market, as security for the payment of the principal within six years. Tolls levied on carts, &c., entering the Municipality (which amounted last year to 8117) they offer as security for the half-yearly payment of the interest, which will be paid on the 30th June and 31st December of each year, either at Cuddapah or at any other station.

No. 225. ORDER THEREON, 27th August 1868, No. 1060.

The Government see no objection to a loan being raised under Section 77 of Act X of 1865, for the purpose of erecting a Market-place at Cuddapah, and that certain taxes should be set aside as security for the repayment with interest of the money borrowed. But as the general question of the levy of Municipal tolls on the traffic which passes through the Municipal towns of the country will shortly come under consideration when Act X of 1865 is under revision by the Legislative Council, His Excellency the Governor in Council does not consider that this tax should be hypothecated, as proposed by the Municipal Commissioners of Cuddapah.

2. It is observed that an advertisement regarding this Market loan has appeared in the newspapers under the authority of the Municipal Commissioners. This Notification was premature until the sanction of the Government was obtained.

3. The President will report what other arrangement the Municipal Commissioners of Cuddapah recommend for raising funds for the erection of the Market.
