No. 227. ORDER THEREON, 27th August 1868, No. 1061.

The Government observe that the application now made for a grant in aid to the Municipality of Anantapur has reference to the Municipal Law Act XXVI of 1850, which, it is believed, has been repealed in all other towns of the Presidency by the application of Act X of 1865.

2. No reason has been adduced why Anantapur should be treated exceptionally, and have its Municipal affairs administered under a system of voluntary taxation, which has been found elsewhere wanting in stability. The Magistrate is requested to report whether there are any circumstances which would prevent Act X of 1865 being applied to Anantapur, in which case the Municipal Funds would be aided as in other Municipalities under Section 27 of Act X of 1865.
