*Proceedings of the Madras Government, Public Department,
31st August 1868.*

No. 240. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 14th August 1868, No. 260.

In submitting the enclosed letter from the Superintendent General of Vaccination, I have the honor to solicit that,
No. 1315 of 4th instant.

on the grounds therein stated, Government may be pleased to sanction the payment of the salaries of Deputy Superintendents of Vaccination being continued, until arrangements can be made to relieve them, which Dr. Shortt has been requested to do with the least practicable delay.

From Surgeon J. SHORTT, M. D., Superintendent General of Vaccination, Madras Presidency, to the Secretary to Inspector General, Indian Medical Department, Fort Saint George; dated Madras, 4th August 1868, No. 1315.

I have the honor to forward herewith a Memorandum the Deputy Superintendent of Vaccination, Madras Circle, received from the Examiner of Claims, disallowing his salary for the past month.

2. The Deputy Superintendents in this Department are not likely to be relieved of their duties as Superintendents most probably for another month or two. Under the circumstances it would be hard that they should have their salaries cut off while performing the duties of Superintendents. I would respectfully request that the Inspector General, Indian Medical Department, may be pleased to consider their case favorably, and recommend that they continue to receive their present salaries till relieved of their duties in this Department by the Hospital Assistants; this, I believe, is the usual custom in all Departments.

No. 96.

MEMORANDUM.

Bill returned, as the revision of the Vaccine Department, under Proceedings of the Government of India, dated 31st January 1868, No. 431, was carried into effect from 1st ultimo, and paragraph 23 thereof directs the retransfer of the Superintendents to the Subordinate Medical Branch.

1st August 1868.

(Signed) W. DONALD,
Examiner of Claims.

To Dr. L. W. LINCOLN, Sub-Asst. Surgeon and Depy. Supt. of Vaccine, Madras Circle.

No. 241. ORDER THEREON, 31st August 1868, No. 1073.

His Excellency the Governor in Council declines to sanction the payment of the salaries of the Deputy Superintendents of Vaccination being continued until arrangements are made to relieve them.

2. The orders of the Government of India for relieving the Deputy Superintendents were communicated under date 16th April last, and there would appear to have been unnecessary delay in giving effect to those orders.

Memo for unders

This is an application for
continuing the salaries of
certain officers in the Treasury
dept. who are of higher rank
than has been permanently
sanctioned by the President
of the U.S.

Dr. Buchanan's answer

is that in the past no one

making the same kind of

arrangements of this

kind has been successful

notice. -

The question would be
referred to the Govt of
India, & they would
open to treat these
cases exceptionally
as more despatch should
have been used in carrying
the permanent arrange-
ments of the Vaccini Dept
into effect.

I submit that an order
should be passed directing
to pay the allowances,
claimed.

I think so: - The delay
arises, I think, from the inaction
of Mr. Short, but Mr. Macdonald
should have presented such
matters -
Yours truly
