In the third

Schedule A, ~~Class IV~~
from eight (8) annas
to one (1) Rupee.

Clap V,

So far as regards the
current year, I would
sanction the President's
proposal. But it seems to
me that it was due to the
fact that he kept them at
least a brief statement of
the "cases" which have
entered upon the
enhancement of the rates under
Chapter IV and V Section A
of the Act.

Reading Sections 45 to 49,
I doubt whether the local
have power to sanction re-
compulsory the enhancement
of rates for a. To sanction at the
lowest refuse to authorize it
"shall" a person who "shall"
"cause" and who "shall" have
"caused". The General Council
has the Sections shown, I think, that
what has to be done by the Com^{tee}, should be done, to be done
