*Proceedings of the Madras Government, Public Department,
1st October 1868.*

- No. 1. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 14th September 1868, No. 310.

The Examiner of Claims having refused to pass *any* pay to Assistant Apothecary Lincoln, late Deputy Superintendent of Vaccination, Madras Circle, from 1st July last, without the special order of Government, I have the honor to solicit that the Examiner of Claims may be authorized to pass the accompanying two monthly Abstracts for July and August last, for the pay of an *Assistant Apothecary*. Application for the difference between the pay of an Assistant Apothecary and Sub-Assistant Surgeon is now pending the decision of Government.

2. The accompanying correspondence is submitted for consideration, from which it will be seen to how much inconvenience Mr. Lincoln has been subjected by having been without any salary for the last two months.

Letter from Deputy Inspector General, Presidency Division, No. 2967, of 2nd September 1868.
Letter from Mr. Lincoln, dated 2nd September 1868.
Docket from Examiner of Claims, No. 963, of 8th September 1868.

From the Deputy Inspector General, Indian Medical Department, Presidency Division, to the Secretary to Inspector General, Indian Medical Department, Fort Saint George ; dated 2nd September 1868, No. 2967.

I have the honor to forward a letter and two Abstracts from Assistant Apothecary Lincoln, which I trust will meet with favorable consideration. This officer has been put to considerable inconvenience for some time. He is now under orders to Trichinopoly, and is without funds.

From Assistant Apothecary L. W. LINCOLN, to the Deputy Inspector General, Indian Medical Department, Presidency Division, Madras ; dated Madras, 2nd September 1868.

I beg respectfully to bring the following to your notice, and to request your favorable consideration and support of the subject.

2. On the 1st August 1868, while holding the effective appointment of Deputy Superintendent of Vaccination of the Madras Circle, I submitted my pay bill to the Examiner of Claims for adjustment, but that officer refused payment of the same, on the ground that under the Proceedings of the Government of India, dated the 31st January 1868, I was not entitled to any salary in the Vaccine Department, as in the above Proceedings I was directed to be transferred to the Medical Department, and which came into operation on the 1st July.

3. On this I appealed to the Superintendent General of Vaccine, who was pleased to submit the same to the Inspector General, Indian Medical Department, for the orders of Government.

4. Up to this date I have not received any salary whatever, either Civil or Military, pending the decision of Government, and I respectfully submit that I suffer very considerable difficulties therefrom ; for without any means I am constrained to eke out the existence of myself and family as economically as possible, and by borrowing money, a thing which I have never hitherto done.

5. To go on borrowing would ill-suit me, as, having been relieved from the Vaccine Department, I will now have to proceed to join any new appointment I may be posted to, and this I beg to add cannot be effected without money.

6. I, therefore, respectfully beg to submit two bills for my salary, as an Assistant Apothecary, for July and August 1868, to which I am eligible, and leave the matter of the difference of 85 Rupees and odd to be settled at a future time. I beg you will kindly be pleased to forward them to the Inspector General with your support, to enable me not only to live, but also to proceed to join my appointment.
