Proceedings of the Madras Government, Public Department,
14th October 1868.

No. 76. Read the following letter from Lieutenant-Colonel G. H. SAXTON, in charge C. P. and O. A. Survey, to the Chief Secretary to Government, Fort Saint George ; dated Ootacamund, 1st October 1868, No. 113.

I have the honor to request that the authority of Government may be given to the Vizagapatam and other treasuries near that and the Godavery District, to make advances on my receipt and responsibility, (as permitted heretofore), during the approaching field season. I shall require to take advances of pay, before marching early in December, for my whole establishment up to the end of January, and subsequently for current months, until return to quarters in April or May.

2. I further request that the Inspector General of Police may be directed to supply the usual Police guard. I enclose a Memorandum showing the strength of the party, and shall be satisfied with an arrangement similar to that made last year, regarding which the Inspector General communicated with me by letters.

3. I also have the honor to request that a Native Dresser, qualified for duty in detached charge, may be placed at my disposal at Vizianagram from 10th December, to serve with my party until return from the field.

The party will be employed along the boundary between Bustar and Jeypore, and about twenty miles on each side. The decision of Government, requiring the demarcation of that boundary round the Salmi and Goomah Mootahs, precludes the possibility of my taking up the survey of the Soura country for the present.

In charge C. P. and O. A. Survey.

No. 77. ORDER THEREON, 14th October 1868, No. 1283.

Ordered that the foregoing letter be communicated to the Accountant General, to the Inspector General of Police, and to the Inspector General, Indian Medical Department, who will severally comply with the requisitions made by Lieutenant-Colonel Saxton, so far as regards their respective Departments.
