Proceedings of the Madras Government, Public Department,
26th November 1868.

No. 125. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 18th November 1868, No. 369.

With reference to the Proceedings of Government marginally noted, I have the honor to state, for the information of Government, that as only 250 copies of the “ Pharmacopœia of India ” were available for distribution, several of the smaller Hospitals were excluded from the list submitted with my letter printed with the Proceedings of Government under acknowledgment, and where more than one Hospital was under the supervision of the same Medical Officer, a single copy was provided for the common use of such Hospitals. As Government now propose making application for additional copies of the “ Pharmacopœia,” I have the honor, in obedience to paragraph 3 of their order, to submit an amended list, including such other Hospitals as it is desirable to furnish with the “ Pharmacopœia,” if possible.
