I have the honor to request the sanction of Government to the making over to the Municipal Commissioners of Guntoor two sites, measuring respectively 5000 and 1900 square feet, now unoccupied and the property of Government within the limits of the Municipality, for the erection of (1) a Municipal office, and (2) a Police Station-house for Guntoor town. The Vice-President, on a reference suggesting that the two buildings should be combined on consideration of the saving to be effected, replied that this would be trifling, while the inconvenience of both buildings being together would be considerable. The plan and estimates for the buildings will be submitted with the estimate of Receipts and Disbursements for the ensuing half-year.
