*Proceedings of the Madras Government, Public Department,
7th March 1868.*

No. 46. Read the following letter from the Secretary to the Chief Commissioner, Central Provinces, to the Chief Secretary to Government, Fort Saint George; dated Nagpore, 22nd February 1868, No. 457-45.

General.

I am directed to acknowledge the receipt of your letter No. 81, dated 22nd ultimo, requesting an expression of the Chief Commissioner's opinion upon a proposal submitted to the Madras Government to permit Government Officers to purchase tents from the School of Industry at Jubbulpore, on the condition that the price is recovered by monthly deductions from the salaries of the purchasers, a period of six months being allowed for the recovery of the entire amount due.

2. In reply, I am to submit that the Officer in charge of the Government School of Industry at Jubbulpore, who has been consulted on the matter, is much opposed to the proposal. And as it will probably be necessary to move the whole establishment shortly, the Chief Commissioner fears the arrangement proposed cannot conveniently be carried out at present.

No. 47. ORDER THEREON, 7th March 1868, No. 301.
To be recorded.
