Proceedings of the Madras Government, Public Department,

9th March 1868.

No. 66. Read the following letter from the Colonial Secretary, Natal, to the Chief Secretary to Government, Fort Saint George; dated Natal, 23rd December 1867.

With reference to my letter to you, of the 7th November 1865, promising that inquiry would be made into the complaint of a Coolie named Doorgiah, that a sum of £10 had been illegally extorted from him by his employer while in this Colony, I have the honor to acquaint you that as the result of the measures adopted for the recovery of this amount, the Attorney General reports that judgment was given in favor of Doorgiah for £9-10-0 with costs, but that execution of that judgment is stayed by reason of the defendant in the case having surrendered his estate for the benefit of his creditors.

2. The assets in the estate appear barely to equal in value the debts due to secured creditors, and there seems, therefore, to be but little probability of a dividend to concurrent creditors.

No. 67. ORDER THEREON, 9th March 1868, No. 311.

Communicated to the Protector of Emigrants, who will take measures for informing Doorgiah that there seems no probability of the recovery of any portion of the sum exacted from him.
