No. 119. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 12th March 1868, No. 109.

With reference to the concluding portion of paragraph 2 of the Order of Government marginally noted, requesting me to communicate to Medical Subordinates, employed in the Civil Department, the modified order of Government on the subject of travelling batta, as contained in their Proceedings, No. 1321, of 23rd October 1867, I have the honor to state, for the information of Government, that, on receipt of those Proceedings, the necessary Circular* was issued to Medical Subordinates, copy of which is enclosed.

* No. 4159, 6th November 1867.

2. 2nd Apothecary Leonard, attached to the Department of the Collector of Salem, would appear to be aware of the Circular by his reference to the "subsequent order," exempting those attached to Collectorates from the privilege of mileage. He begs, on account of the peculiarities of his circumstances, the mileage may be extended to him as a *special case*.
