| 4. Ongole. | 8. Kaligiri. |

As reported to you by the Deputy Collector in his letter, No. 738, dated 11th October 1867, there is now only one depôt in the district, viz., at Ongole.

2. In your letter, No. 42, dated 16th June 1865, it was stated that "advances of Postage Stamps are not sanctioned under any circumstances, but Tahsildars are required in their official capacity to be vendors of Postage Stamps, and should be required to purchase a moderate supply of every kind of stamps for sale to the public, for which they are allowed the higher rate of discount."

3. In your letter, No. 189, dated 11th January 1866, it was stated that the previous instructions were not intended to affect the local depôts.

4. As Tahsildars neglect to keep stores of Postage Stamps in stock when they are compelled to purchase them first, and thus much inconvenience results to the public, I shall at once re-establish the following local depôts already sanctioned by Government:—

and I also consider that, as recommended by the Treasury Deputy Collector in his letter to you,

**Proceedings of the Madras Government, Public Department,
19th March 1868.**

No. 738, dated 11th October 1867, it would be most desirable also to establish local depôts at the following stations, at all of which there is either a Tahsildar or Deputy Tahsildar:—

No. 137. ORDER THEREON, 19th March 1868, No. 361.
