No. 158. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 10th March 1868, No. 99.

I have the honor to submit the following extract from the Annual Medical Report on the Civil Dispensary at Vizagapatam for the year 1867, in reference to the extreme liberality of the Maharajah of Vizianagram in the endowment and support of this charity.

2. In addition to the liberal endowment of Rupees 20,000 made by the Maharajah in 1863, it is now stated that, on "further representation having been made to the Maharajah that the means at command are insufficient to provide suitable diets, as also clothing for the sick in the wards, His Highness has been pleased to sanction that, in addition to the interest derivable from invested capital, he will afford means to allow the extension of the charity to Rupees 150 monthly; and not only so, but the Committee having urged the provision of iron cots and suitable bedding, as recommended by Government, His Highness has further granted the sum of Rupees 550 to be used in the provision of these and other necessary ward and consulting room furniture."

No. 159. ORDER THEREON, 21st March 1868, No. 374.

The Collector of Vizagapatam will convey to the Maharajah the expression of the high appreciation by Government of the very liberal support given by him to this valuable local charity.
