No. 164. Read the following letter from the Collector of Salem, to the Chief Secretary to Government, Fort Saint George; dated Muchery, 10th March 1868, No. 19.

I have received information from my Head Assistant that the village of Nachanampatty was burnt some little time back, and that upwards of thirty houses and huts were destroyed. This village is situated in the Ootangherry Taluq, and the inhabitants are very poor; upwards of twenty of the houses belong to persons who have small holdings of punjah land. Their crops have been very scanty this year, in some instances the out-turn being quarter. The object of my writing is to request you will kindly get Government to assist these poor people by a grant of 50 Rupees, and also by permitting them to have gratis a sufficiency of bamboos and wood (posts) to enable them to rebuild their houses. I will instruct my Head Assistant to see that the privilege is not in any way abused, and that only those who are unable to undergo the expense of renewing their houses receive the assistance asked for.
