No. 216. From the Acting President of the Municipal Commission, Cuddapah, to the Chief Secretary to Government, Fort Saint George ; dated Cuddapah, 28th February 1868, No. 199.

I have the honor to submit the accompanying draft Notification for the approval of His Excellency the Governor in Council and publication in the *Fort Saint George Gazette*.

# NOTIFICATION.

The Municipal Commissioners of Cuddapah are authorized to levy, for the purposes of Act X. of 1865 (Madras), rates on houses and buildings at five per cent. per annum on the annual value thereof ; taxes on arts, professions, trades, and callings ; tolls on carriages, carts, and animals entering the Municipal limits ; taxes on carriages, horses, and other animals kept within the town ; and fees for the registration of carts and other wheeled vehicles without springs, as provided in Sections 38 to 68 of the said Act. These rates, taxes, &c., will be levied for the year ending 30th April 1869.

No. 217. ORDER THEREON, 30th March 1868, No. 403.

The above letters have for their enclosures the estimates for the Municipality of Cuddapah for the year ending April 30th, 1868, the Notifications of re-appointment of Commissioners and imposition of taxes, &c., and a Notification of the change of boundaries of the town.

2. The Notifications are approved, and will be published in the *Fort Saint George* and *District Gazettes*. In the former once, in the latter, during one month.

3. The expenditure is estimated at Rupees 25,300, and is made up as noted in the margin, and is provided for by estimated receipts of a like amount, which are also given in detail in the margin. Of the estimated outlay on new works Rupees 1000 is for Police Constables' huts, Rupees 2500 for roads, Rupees 2000 for drains, and the rest for minor works. The conservancy charges consist mainly of the pay of scavengers.

4. The establishment charges amount to Rupees 5000 or 20 per cent. of the expenditure. One-fourth of the expenditure is upon the Police which are not managed by the Commissioners, and one-fourth of the receipts is a contribution by Government, so that in fact Rupees 5000 is estimated as the cost of raising and expending Rupees 19,000, or the establishment is more than 26 per cent. of the whole. In their Proceedings of 12th October 1866, No. 1042, the Government remarked that the charge for establishment might be reduced. No attempt at reduction has been made, but a Secretary's allowance of Rupees 50 a month has been added. The Manager's salary has been raised from 50 Rupees to 70 Rupees, the House-tax Clerk's from Rupees 25 to Rupees 35, the Goomastah's from Rupees 15 to Rupees 20, giving an increase monthly of Rupees 85. The proportion of the cost of establishment to the collections being excessive, the Government must
