*Proceedings of the Madras Government, Public Department,
1st April 1868.*

No. 15. Read the following letter from the Committee of the Civil Dispensary, Cuddapah, to the Chief Secretary to Government, Fort Saint George; dated Cuddapah, 4th March 1868.

As members of the Committee for the management of the Civil Dispensary at this place, we have the honor to bring to your notice that, under instructions from the Inspector General, Indian Medical Department, Doctor Duckworth, the Zillah Surgeon, has taken charge of the Institution from M. Iyasawmy Pillay, the Native Surgeon, lately in charge.

2. We would beg to point out that Iyasawmy Pillay has been in charge of the Dispensary for the last ten years, of which he has been in separate charge for the last four years, and that he has retained separate charge of it under four different Zillah Surgeons, Doctors Fletcher, Beaman, Pearl, and Thomas. We are not aware that any difficulty whatever has at any time arisen from the Zillah and Dispensary being under two separate individuals, nor have we any reason to apprehend such difficulty in future.

3. The Right Honorable the Governor and other Members of the Government are well aware that under Iyasawmy Pillay the Establishment of the Dispensary has been attended with marked success, and therefore, without in the least wishing to disparage Doctor Duckworth, we deem that it will be an act of justice to Iyasawmy Pillay, and also for the benefit of the Institution, that one in whom all classes have such confidence, should remain in separate charge of it.

4. Under the peculiar circumstances, we scarcely think that Doctor Duckworth could consider that he has been superseded, whilst we have reason to know that Iyasawmy Pillay feels deeply the loss of a charge which has been so long in his hands, and for which he has proved himself so well fitted.

5. The Committee will be perfectly willing, should such an arrangement meet the wishes of Government, to defray the allowance of Rupees 50 to Native Surgeon Iyasawmy Pillay from the funds of the Institution.

6. We have the honor to enclose copy of remarks made in the Visitors' Book.

No. 16. ORDER THEREON, 1st April 1868, No. 416.

The Government observe that Iyasawmy Pillay has recently been appointed as Acting Civil Surgeon.

To the Committee, Civil Dispensary, Cuddapah.

OFFICE OF INSPECTOR GENERAL, INDIAN MEDICAL DEPARTMENT,

Fort Saint George, 11th March 1868.

From

The Inspector General, Indian Medical Department,

Fort Saint George,

To

The Chief Secretary to Government, Public Dept.

Fort St. George.

Sir,

In acknowledging the receipt of a letter from certain Members of the Committee for the management of the Civil Dispensary at Cuddalore, referred to me under your docket of the 7th current, I have the honor to state that Assistant Surgeon (Suckworth) having been posted to the 1st Regiment N.I., Native Surgeon Sivasamy Pillay has been replaced in temporary Medical charge of the Zillah of Cuddalore, and consequently of the Civil Dispensary there.

2. I would beg, however, most respectfully to submit, that appeals of the kind under reference are calculated very much to hamper and embarrass this Department, and that it would be desirable they should be discouraged.

3. Under ordinary circumstances, the Medical charge of the Zillah of Cuddalore is an appointment held by a Commissioned Officer, - who must necessarily be in charge of the Civil Dispensary as an integral portion of his duty, unless Government are

4. I may remark that the statement in para 2 of the letter under reference is incorrect and calculated to mislead. The four Officers named in it were not "Zillahi Surgeons" but Regimental Medical Officers, who, in consequence of there being no Zillahi Surgeon present, were placed in charge of a portion of the Civil duties of the station, in addition to those of their own substantive appointment.

The Medical Officer in charge evidently has the well being of his patients at heart. Mr Smith, M.D., gratified with the cleanliness of the whole arrangements. The hospital appears to be in excellent order, and the medical Officer in charge to take great interest in his work.

The hospital appears in excellent order and the cleanliness is worthy of all praise.

Both Hospital and Hospital arrangement, appear
to be excellent

Every thing very well arranged and chosen.
Decidedly the best interest and arranged Dispensary
I have yet seen. adroitly the greatest attention
the medical officer and all connected with the
Institution.

The Hospital appears to be in very good order.
 Every thing in excellent order.
 I have visited dispensaries in several Districts.
 This is the first Dispensary to any I have seen.
 I am extremely pleased with my visit to this
 Hospital which is greatly superior to every other
 Institution of the Government I have seen in the Do-
 nard.
