*Proceedings of the Madras Government, Public Department,
4th April 1868.*

No. 49. Read the following letter from the President, Municipal Commission, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 19th March 1868, No. 253.

I have the honor to submit, for the confirmation of Government after publication for the period of one month in the *Fort Saint George Gazette*, the bye-laws, agreeably to Sections 232 to 236 of the Madras Municipal Act, passed by the Municipal Commissioners at a General Meeting held on the 17th instant.

No. 50. ORDER THEREON, 4th April 1868, No. 437.

With the above letter the President of the Madras Municipal Commission forwards the bye-laws passed at a meeting of the Commissioners for confirmation.

2. The Government remark that bye-law No. 13, as it stands, implies unnecessary interference with the mode of conveyance of meat and fish. The words "be carried in baskets covered" will be omitted, and the words "not be exposed to view" inserted. This will serve the purpose intended.

3. The second bye-law on the subject of urinals and latrines is in great part a repetition of the first, and its latter portion cannot be of practical value. This bye-law will be struck out.

4. Bye-law No. 1 (for the regulation of order on the public thoroughfare) which is, as noted marginally, objectionable, unless it is intended to metal the sides of the roads. The burden of maintaining the roads falls heavily on owners of carts, and they are equally, with owners of carriages on springs, entitled to a metalled road. The words "which will be metalled" should be added after the word "thereof," and this assurance fulfilled by the Commissioners. Bye-law No. 6 under this heading is unnecessary, *vide* Section 143, which provides for the destruction of pigs found straying.

5. Slight verbal alterations have been made in some of the other bye-laws. If these alterations and those noted in the preceding paragraphs are adopted by the Commissioners a revised copy will be submitted by the President, with a view to the publication of the bye-laws, as directed in the Act.

(True Extract).

Chief Secretary.

To the President of the Municipal Commission, Madras,
with the bye-laws.

without springs shall be

Is this the case? The tax on
