Read the following papers :—

No. ~~47~~. From the Collector of Madras, to the Chief Secretary to Government, Fort Saint George ; dated Trivellore, 9th March 1868, No. 41.

I have the honor to forward, herewith, copy of a letter received from the Sub-Collector, asking for the services of a Dresser for his office, and request that the Government will be pleased to instruct the Medical Department to place one, if possible, permanently at the disposal of Mr. MacGregor. I beg to observe that the Board of Revenue in their Proceedings, dated 16th July 1867, No. 4491, recommended also a Dresser for the Sub-Collectorate, and accordingly included one in the list they furnished to the Inspector General, Medical Department, in pursuance of the Order of Government of the 15th May last, No. 555.

From A. MACGREGOR, Esq., Sub-Collector, Madras District, to the Collector of Madras ; dated Conjeveram, 22nd February 1868, No. 43.

I have the honor to inform you that the number of Dressers at Chingleput has been reduced from three to two, and that in consequence the Zillah Surgeon has this day, at the order of the Deputy Inspector General, recalled the Dresser who has hitherto accompanied the Sub-Collector's Office on circuit.

2. No Dresser has been sanctioned for the Sub-Collector's Office, on the ground, I presume, that the requirements of his office could be met from the existing establishment at Chingleput.

3. As this is no longer the case, I request you will apply to Government for the appointment of a Dresser for the Sub-Collector's Office.

Referred to the Inspector General, Indian Medical Department.

In returning the letter of the Collector of Madras, referred with the Under Secretary's docket of the 17th instant, I have the honor to state, that no medical subordinate is sanctioned for the Sub-Collector's Establishment, but that a Dresser has been included in the scheme submitted with this office letter,* for providing medical aid to Revenue Officers, whose

head quarters are distant from Sudder Stations.

2. I beg, at the same time, to draw the attention of Government to paragraph 4 of that letter, relative to the present paucity of medical subordinates at my disposal, and my consequent inability, even should Government sanction the measure, to furnish these Officers with Dressers before the expiration of two or three years.

No. ~~48~~. ORDER THEREON, 4th April 1868, No. 441.

The Inspector General's letter will be communicated to the Collector of Madras.
