*Proceedings of the Madras Government, Public Department,
6th April 1868.*

Read the following papers :—

No. 73. From the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 13th February 1868, No. 69.

I have the honor to submit, for the favorable consideration of Government, the accompanying correspondence from Apothecary Master, praying that he may be relieved from retrenchment.

2. By Division Order Mr. Master was placed in temporary medical charge of the Zillah of Berhampore and 11th Regiment N. I., and held this combined charge from the 22nd August to 3rd September 1866, or thirteen days in all, receiving Zillah pay* which was then granted to Apothecaries in similar circumstances, and

* Rupees 360-10-10 per mensem.
deputation allowance for medical charge of Regiment at Rupees 100 per mensem.

3. The Accountant General restricts Mr. Master to Rupees 50 extra in the Civil Department, because he was also "in medical charge of the 11th Regiment." If he had been in medical charge of the Civil Station *only*, no objection, apparently, would have been taken to the higher salary of Rupees 360-10-10.

From Apothecary W. D. MASTER, late Zillah Surgeon of Berhampore, and in Medical Charge 11th Regiment N. I., to the Senior Surgeon in charge of the Office of the Deputy Inspector General of Hospitals, Waltair ; dated Vizagapatam, 16th January 1868.

I have the honor respectfully to request that you will be so good as to submit, for the favorable consideration of the Principal Inspector General, my application to be relieved from a retrenchment which has been issued against me under the following circumstances.

2. By Division Order issued by the Officer Commanding N. D., dated 21st August 1866, which was subsequently confirmed in G. O., I was ordered to assume medical charge of the Zillah Jail, Civil Dispensary, and 11th Regiment N. I., at Berhampore, from Surgeon-Major Clementson, which I did on the 22nd idem. I drew from the Civil Department the usual allowances of a Zillah Surgeon, viz., Rupees 360-10-10 per mensem, but the Accountant General has admitted the sum of Rupees 50 per mensem as Civil Allowance, and retrenched me for the balance.

3. As I was in sole medical charge of the Zillah during the absence of Surgeon-Major Clementson, and was in fact in precisely the same position as Second Apothecary Howard, M. D., I beg that you will be pleased to move the Principal Inspector General with the view of my circumstances being placed for the favorable consideration of Government, and obtain for me a special sanction to withhold the objection, as the allowances which I am now retrenched will not cause any extra expense to Government, as the Zillah was vacant during the period in question.

4. I may further strengthen my appeal, that although I was ordered to proceed to Berhampore, (for the purpose of relieving Surgeon-Major Clementson,) at the public expense, yet I was mulcted in my expenses by the Military Auditor General on the plea that I drew Head money for the medical charge of the 11th Regiment, which amounted to about Rupees 44, while my expenses by Steamers to Gopaulpore and back to Vizagapatam amounted to Rupees 46, in addition to boat-hire and transit from Gopaulpore to Berhampore and back again, which expenses amounted to 8 Rupees more.
