Dated	<i>16-4-</i>	<i>1888</i>

Not to be folded or roughly handled

No. 458

Madura Callos office
in Circuit Camp
Rammad 21st March
1868.

From

The Honorable D. Subhannath
Collector of Madura.

To The Honorable R. S. Ellis
Chief Secretary to Govt.
Madras.

Sir,

With reference to the Govt.
Proceedings of the 10th December
last No 1580, I have the honor
to observe that the number of
patients 14,676 alluded to in Para 1,
were not dieted in the years
1866 as Govt. seem to suppose
but during a period of 3 years
from April 1863 to the end of
April 1865. The cost of dieting
them was Rs 2725 or Rs 17 ³/₄ per
100 patients, whereas the charges
incurred for dieting 7150 patients
in

in 1867 amounted to Rs 2147 or
Rs 29 per 100. This great increase
in the cost of diet was chiefly
owing to the much higher prices
of provisions in 1867 than in 1863
1864 - and 1865. In 1866 Spirits and
Extra diet ^{such} as milk, mutton, &
mutton broth were also largely
issued. As that year was one
of great scarcity, many of the
patients when admitted into Hospital
were much emaciated and
required stimulants and nourishing
food and this is another cause
of the increase in the cost of
diet. I have applied to the
Jillah Surgeon for information
to enable me to explain how
the number of diets for 68
women for 3 months only amounted
to 3346 as mentioned by Mr. Levinge
in the 12th para of his report
for

for 1864.

2. With respect to para 3 of
the Proceedings, I beg to state
that forty seven women were
admitted in 1866 and 5 of the
last years admissions received
diet in the Hospital in that
year making a total of 52 women.
The number of diets issued to them
was 3038 which being divided
by the number of the women
gives an average period ($58\frac{1}{2}$ days)
during which each woman received
diet.

3. With regard to para 4 of
the Proceedings, I beg to explain
that in the sum of Rs 1002 alluded
to, there was a sum of Rs 314-6-
included by mistake and there
are several other items besides
the cost of Latties and Wall

Shank

Spent in 1865-66 as Shewn below

Constructing a well — 129-15-11

Making Punkahs — 127-2-5

Do — Door frames with
doors for the Bungalow
Compound — } 72-6-7

Repairing bathroom &c — 12-1-1

Making wooden steps — 24-2-4

* Portion of the cost for
making &c Latties. —
N.B. This is a portion
of the sum of 593 Rs in
next page } 244-1-6

Value of the quilts &c.
purchased for the use
of Lying in Hospitals } 314-6-2
This sum was in-
cluded by mis-
take with the
Cost of Latties
and Well &c

Total 1002-3-10

4. From the date of the com-
pletion of the Bungalow up to
the end of the last ^{official} year, a
sum of Rs 1088-12-6 has
been

been expended on repairs and
a sum of Rs 1229-9-7 has been
laid out on improvements as
Shewn below.

Making & putting up } 259-2-5
Punkahs —

* Do — Latties — 593-14-4

Constructing a well 129-15-11

Making door frame
with doors for the } 72-6-7
Bungalow compound

Wooden steps &c. — 24-2-4

Purchasing water pump 150-0-0

Total 1229-9-7

5. I have every reason to
believe that there will hardly
be any charge for repairs &
improvements to the Bungalow
for some years to come, as it
has been well built with good
materials

materials.

6 Including these two large These two sums
sums of Rs 1088-12-6 and Rs. have been taken
not from the
1229-9-7 the total cost of the foundation
Bungalow has been Rs. 15963-10-8 of the charities
and at the present rent of Rs. from
the income.
105 per mensem about 7 percent
will be obtained.

I have the honor to be
Sir

your most obedt. Servant
