*Proceedings of the Madras Government, Public Department,
27th April 1868.*

No. 173. Read the following letter from the President of the Municipal Commission, Tanjore District, to the Chief Secretary to Government, Fort Saint George; dated Vallam, 17th April 1868, No. 59.

I have the honor to request the sanction of Government to the following limits to the Combaconum Municipality, which have been approved of by the Commissioners, instead of those previously sanctioned. It makes no alteration in the number of villages, but it will prevent disputes arising on account of the ambiguity of the boundaries hitherto fixed:—

BOUNDARIES.

North.—Northern bank of the river Cauvery.

South.—Southern bank of the river Arasalar.

East.—A straight line drawn due south from the river Cauvery to meet the road from the Small Cause Court, on the eastern side of the Roman Catholic burial ground, thence along the same road to the Terunayanachari tank, but verging from the straight line at the crossing of Mayaveram road so as to include the compounds of the houses at present owned by Runganatha Pillai, Dorasami Mudaliar, and Venkataranga Aiyar; from the above tank due south to road No. 14, at the eastern point of the Konangolam tank and thence south-west to the eastern limit of Madalampettah street on the Arasalar river.

West.—From the Arasalar bridge on the Tanjore road, in a straight line north-west to Ellayamankovil, and thence north-east to the steps into the river Cauvery, at the end of the Pettah street.
