*Proceedings of the Madras Government, Public Department,
28th April 1868.*

No. 195. Read the following letter from the Superintendent, Great Trigonometrical Survey of India, to the Chief Secretary to Government, Fort Saint George; dated Dehra Doon, 30th March 1868, No. 35-304.

With reference to my No. 7-100, dated 5th ultimo, I have the honor to request you will be so good as to favor me with a list of the officials who may have been called on to furnish information with a view to the selection of suitable localities for the observation of the total eclipse of the sun in August next.

2. I take the present opportunity to forward a copy of a letter from the Under Secretary to the Government of India in the Home Department, No. 886, dated 21st February, conveying the cordial approval of the Government of India, and expressing its readiness to do everything in its power towards securing full and accurate observations on this rare and important occasion.

From the Under Secretary to the Government of India, to the Superintendent, Great Trigonometrical Survey of India; dated Fort William, 21st February 1868, No. 886.

Home Department.
Public.

I am directed to acknowledge the receipt of your letter, No. 6-98, dated 4th instant, requesting permission to employ certain Officers of the Great Trigonometrical Survey in taking observations of the total solar eclipse of 17th and 18th August, and asking sanction to the expenditure on this account, estimated roughly not to exceed Rupees 2000.

2. In reply, I am directed to state that the Governor General in Council cordially approves of your proposed arrangements, and sanctions the necessary expenditure.

3. The Government of India I am to state will be prepared to do everything in its power towards securing full and accurate observations on this rare and important occasion.

No. 196. ORDER THEREON, 28th April 1868, No. 529.
Communicated to the Government Astronomer.
