Supg Engineer's Office 6th Div
Myapuram 12th March /68

From Captain R. F. Oates R.E.
Supg Engineer 6th Division

To Lieut Colonel P. A. Cornwall R.E.
Controller of P. M. A

Sir With reference to the last para
of your letter No. 228 dated the 22nd
January I have the honor to inform
you that on addressing the Collectors
of the Tanjore and Pudukottah Districts
regarding the information required for
filling up Column 4 of Form No. 2 which
accompanies your Circular No. XVII
dated the 15th October the former has
replied that it will not be practicable
to furnish the information earlier than
August next for until the Jani handi
statements for the year are completed
and ~~as the Government order~~
gives time until the end of August for
the return of Revenue ~~statements~~ of some
Communicative Works being furnished
by the Collectors - No reply has as yet
been received from the Collector of
Tanjore. But as there is but little
doubt that a similar reply will be
sent by him - I would wish to be
informed if you would wish to have
the income derived in 1866/67 entered
in the statement above referred to and
the same submitted to you early in
April next or whether the Revenue
derived in 1867/68 ~~should be~~
in the latter case the statement cannot
be forwarded before the end of August
next at the earliest -

+ Copy income
received in
cash -

be obtained from Superintending Engineers and, after
competition in this office, be submitted with the
Administration Report of the past year, I have the
honor to observe, that from an order in the Fort St.
George Gazette page 774 in the Public Depart-
ment dated 31st March 1868 I learn that the
Administration Reports for the past year are
called for so as to reach me
the 15th May 1868.

Report will be required at a much earlier date than the 15 May next. -

3. I think it therefore necessary to inform Government in time that I fear the Returns called for, as noted in the margin ^{1st Statement shows ing expenditure of money on the P.W. Dept. and} ^{2^d Statement shows ing Income and expenditure of the - productive Works in the P.W.} ~~the forms attached, cannot be submitted at the time that the Administration Report is called for. -~~

4. The Accounts for the last month of the year will not be finally closed by Range Officers, till the end of April, and not till the 1st of May will they have all their checks and books in this office. - Some time will then be required in closing the Annual accounts, after which only can the statements under reference be filled in, with any accuracy, - and that too only, as regards expenditure. The information as to Income, has to be obtained from the Civil Department. This the Superintending Engineer of the 6th Division, points out, cannot be had till August next. -

5. Under these circumstances, I beg permission to submit the usual Administration

Administration Report early next month without the Returns called for in L.O. No. 2091 dated 18th September 1867; these, I hope to have ready in as complete a manner as possible by August next; or September at the latest.

I have the honor to be,
Sir
