Municipal Commissioner's
office 20th April 1868.

From J. B. Molony Esq
President of the
Municipal Commission

Cuddapah
To The Honorable R. L. Ellis Esq.
Chief Secretary
to Government
Fort Saint George

Sir,

With reference to para 11 of the
Order of Government, No 103 of 30th March
1868, declining to sanction the charge on ac-
count of establishment for the Municipi-
pality of Cuddapah for the year ending
30th April 1869, I have the honor to enclose
a revised list, showing a total cash per an-
num of Rs 3960, for which I beg to solicit
the sanction of Government.

The Government will observe
that the decrease amounts to 1032, and that
this result has been obtained, by reducing
the proposed salary of the Manager from

Rs 40 to 50, of the House-tax Clerk from
Rs 35 to 40, of the Gunmatal from Rs 20 to 25
15, and of 6 Toll gate keepers from Rs 10 to Rs 15
each. The 14 Tax Collectors have been struck
out as it has been resolved to remunerate
them by way of percentage on collections.

I have added a Toll gate Inspector
at Rs 15, for the purpose of keeping a more
efficient check than would otherwise be
possible, over the receipts and accounts
of the Toll gate keepers.

I do not think the Municipality
can be efficiently worked at a less cost
for establishment than that now proposed.

I have the honor to be

Sir

Your Most Obedt. Servant

Commission.

No. 203. Read the following letter from the President of the Municipal Commission, Cuddapah, to the Chief Secretary to Government, Fort Saint George; dated Cuddapah, 20th April 1868.

With reference to paragraph 4 of the Order of Government, No. 403, of 30th March 1868, declining to sanction the charge on account of establishment for the Municipality of Cuddapah for the year ending 30th April 1869, I have the honor to enclose a revised list, showing a total cost per annum of Rupees 3968, for which I beg to solicit the sanction of Government.

2. The Government will observe that the decrease amounts to Rupees 1032, and that this result has been obtained by reducing the proposed salary of the Manager from Rupees 70 to 50, of the House-tax Clerk from Rupees 35 to 30, of the Goomastah from Rupees 20 to Rupees 15, and of six Toll Gate-keepers from Rupees 10 to Rupees 7 each. The four Tax Collectors have been struck out, as it has been resolved to remunerate them by way of per-centage on collections.

3. I have added a Toll Gate Inspector at Rupees 15, for the purpose of keeping a more efficient check than would otherwise be possible over the receipts and accounts of the Toll Gate-keepers.

4. I do not think the Municipality can be efficiently worked at a less cost for establishment than that now proposed.

No. 204. ORDER THEREON, 29th April 1868, No. 534.

The Governor in Council sanctions the estimates of the Municipality of Cuddapah for the year 1868-69 with the above alterations in the establishment charges, but he is not prepared to allow that further reductions will not be called for at the

close of the year when the work is better understood. It is difficult, for instance, to see why a Secretary should be paid an allowance (not a salary) of Rupees 50, and why his duties and those of Manager might not be combined.

2. The paying of the four Tax Collectors by a per-centage on collections may very likely improve the collections, but their per-centage should clearly still be debited as establishment, and not by deduction from income *apparently* reduce the expenditure.
