*Proceedings of the Madras Government, Public Department,
9th May 1868.*

No. 73. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George ; 30th April 1868, No. 163.

In obedience to the order of Government marginally noted, I have the honor to recommend that the Surgeon of the 2nd District, in which the present Lunatic Asylum buildings are situated, be appointed to the charge of that institution, and that he be relieved of the charge of the Military Female Orphan Asylum.

Public Department, No. 414 of 1st April 1868.

2. The latter charge I propose to assign to the Surgeon of the 3rd District. After careful consideration no other re-distribution of duties seems to me feasible, and this additional work laid on the Surgeon of the 3rd District is in some degree compensated for by the recent transfer to the 4th District of several of the Hotels formerly pertaining to his charge.

3. In anticipation of the sanction of Government, I have issued departmental orders for the carrying out of the above arrangement from the 1st proximo.

No. 74. ORDER THEREON, 9th May 1868, No. 580.

The arrangement proposed for the Medical charge of the Lunatic Asylum is approved by Government.
