Proceedings of the Madras Government, Public Department,

26th June 1868.

No. 171. Proceedings of Government, dated 26th June 1868, No. 773.

It has been brought to the notice of the Government that there may be ground for legal objection to their Order, dated 2nd June 1868, paragraphs 4 and 5, under which permission was given for the partial imposition of the tax on arts, professions, trades, and callings under Section 46 of the Madras Act X of 1865, there being in that Act no provision for such an exemption as was contemplated by the Order of Government above quoted.

2. The Government in Council resolved, therefore, to cancel paragraphs 4 and 5 of G. O., No. 476, dated 2nd June 1868, and to direct that the tax on arts, professions, trades, and callings prescribed in Section 46, Act X of 1865, and in Schedule 4 attached thereto, be levied in all Municipalities in which the said tax has been permitted to be levied, unless the Municipal Commissioners in any such town are prepared to recommend additions to the other taxes already levied under Act X of 1865, such additions being in accordance with the provisions of that Act, or the introduction of taxes sanctioned by the law, but which have not yet been levied, approximately sufficient to make up the deficit in the municipal revenue which would be caused by the suspension of the tax on arts, professions, trades, and callings.

(True Extract).

R. S. ELLIS,
Chief Secretary.

To the President of the Municipal Commission in

10. 10. 1944

26 June 1865; 18945.
The Commission of the Government of
the United States of America
is directed by the Secretary of the Treasury
to give you the partial report
of the Survey on the 1st of June 1865, the
and callings under the 10 of
the Madison Act of 1865, there
being in that Act no provision
for such an examination as
contemplated by the
Act above quoted.
The Governor in Council has
therefore to send you a
copy of the 10 of 1865 dated 2 June
1865 and a direct that the
Survey on the 1st of June 1865, the
and callings provided in
the 10 Act of 1865 and that
it should be laid

in all cases in which the law
does not provide except the
Municipal Commissioners
in any such case are
prepared to recommend
additions to the other
taxes already imposed
under Act 2 of 1865
such additions being a condition
of the payment of the tax,
or the introduction of a tax
sanctioned by the Council
which have not yet been found
sufficient to make up the
deficit in the municipal
income. It would be caused
by the suspension of the
"Law on 20th September 1865"
trades, and challenge.
