Proceedings of the Madras Government, Public Works Department,
11th March 1868.

No. 249. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 4th March 1868, No. 3,252 :—

1. With reference to G. O., No. 652, of 27th ultimo, I have the honor to point out that in G. O., No. 2,865, of 3rd December 1867, in the Revenue Department, which was communicated with G. O., No. 3,828, of 9th idem, permission was given, as a special case, to commence two out of the three works mentioned by the Collector of Cuddapah and Board of Revenue. The first is entered in the supplemental Budget. The road from Budwail to Mydekoor is a portion of the road from Nundialumpett to Poddatoor, for which Rupees 10,000 is entered in the supplemental Budget of this year ; and the third road appears in the Repairs list of both the original and supplemental Budgets with a total allotment of Rupees 2,964, which the Board of Revenue have erroneously entered to the second work.

2. In his Progress Report for January, Mr. Supervisor Lewis reports that work on all these roads has been started.

3. I can only suppose that the Board of Revenue did not communicate G. O., No. 2,865, of 3rd December 1867, in the Revenue Department, to the Collector, or that officer would not have written his letter of 7th February 1868, which is now communicated to me.
