MEMORANDUM.

No. 99A.

The Under Secretary to Government, Public, &c., Departments, is directed to call the attention of the President of the Ootacamund Municipal Commission to the Notification of Government of the 23rd July 1867, published at page 172 of the *Gazette* of the same day, relative to the submission of new bye-laws, and to request him to carry out the directions of the Notification in respect of the bye-law sent up with his letter, No. 115, of the 27th November.

FORT SAINT GEORGE,
5th December 1867.

(Signed) C. G. WALKER,
Under Secretary.

To the President of the Ootacamund Municipal Commission.

No. 100. From the President of the Ootacamund Municipal Commission, to the Chief Secretary to Government, Fort Saint George; dated Coimbatore, 31st December 1867, No. 131.

In re-submitting the proposed bye-law forwarded with my letter of the 27th November 1867, No. 115, and returned with Mr. Under Secretary Walker's Official Memorandum of the 5th December, No. 378, I have the honor to report that this bye-law has on no previous occasion received the sanction of Government, or been published in the *Fort Saint George Gazette*.

No. 101. ORDER THEREON, 22nd January 1868, No. 83.

The Governor in Council apprehends that difficulty will be found in carrying out the proposed plan of licensing a brick-yard, since close inspection alone will ensure a knowledge of the number of bricks burned.

2. With reference to the fee for wood-yards, it appears high, and, in the case of a large timber-yard, would be oppressive. The Government, however, sanction the proposed bye-law, with the addition "provided that no fee for the license for a timber-yard shall exceed Rupees 25."
