*Proceedings of the Madras Government, Public Department,
30th July 1868.*

No. 192. Read the following letter from the Government Solicitor, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 15th July 1868, No. 394.

With reference to the Proceedings of Government noted in the margin, I have the honor to inform you that, since the receipt of them, I have been in communication with Mr. Shaw (the Solicitor

Dated 17th June 1868, No. 738, Public Department. for the plaintiff and the Receiver in the suit now pending in the High Court at Madras for the administration of the estate of the late C. V. Conniah Chetty, deceased), on the subject of those Proceedings.

2. Upon my suggestion, Mr. Shaw, as the Receiver's Solicitor, applied by a Judge's summons for leave for the Receiver to lease the premises now occupied as the Eye Infirmary to Government upon the terms mentioned in the Proceedings of Government above noted ; and His Lordship Sir A. Bittleston, upon hearing the application yesterday, made an order granting the leave, and directing the Receiver to execute a lease to Government for a term of five years, at a monthly rent of Rupees 200, the Government putting the premises into proper repair, and making all necessary repairs during the continuance of the lease at their own expense.

3. Mr. Shaw will prepare the lease, and submit it to me for perusal and approval on behalf of Government. Should we differ as to the terms of the lease, it will be settled by the Judge.

4. Now that the difficulty in obtaining a lease of the premises has been removed, and it being understood that the lease is to commence as from the 1st of this month, there is no reason why the requisite repairs should not at once be proceeded with, if the Government think fit.

No. 193. ORDER THEREON, 30th July 1868, No. 910.

The letter above recorded will be communicated to the Public Works Department, with a view to the necessary orders being issued for the earliest possible execution of the work of repair to the Eye Infirmary premises, for which an estimate was furnished by the Superintending Engineer, 4th Division, on the 29th May last. These repairs are urgently required.
