*Proceedings of the Madras Government, Public Department,
3rd August 1868.*

Read the following papers :—

No. 5. From the Administrator General, to the Military Secretary to Government, Fort Saint George ; dated Madras, 9th January 1868, No. 34.

Estate—Serjeant F. Eagan.

I have the honor to forward to you a letter, with its enclosure, addressed by me to Lieutenant Colonel C. D. Grant at Kamptee, with a request that you will be good enough to frank the same, and return it to me for transmission to Lieutenant Colonel Grant.

2. I make this request as the enclosed sealed packet, which was my first letter to him, and a copy which is hereunto annexed for your information, was returned to this office, by the Madras Post Office, with the word "refused" endorsed thereon. I presume Lieutenant Colonel Grant refused to receive the letter, owing to the postage not having been prepaid ; but I have no funds on account of this trust where, with to pay such postage, and I have not the power of franking letters. I, therefore, think it expedient to forward the present communication to you for the purpose above mentioned, and to prevent delay and inconvenience.

From the Administrator General, to Lieutenant Colonel C. D. GRANT, President, Station Prize Committee, Kamptee ; dated Madras, 4th November 1867, No. 3729.

Estate—Serjeant F. Eagan.

I have the honor to acknowledge the receipt of your letter of the 23rd ultimo, with its enclosures, herewith returned, and to inform you that, as the Administrator General of Madras, I cannot take charge of the funds appertaining to minors, but, as the Official Trustee, I can do so by the leave of the High Court. I would, therefore, suggest your communicating on the subject, either with the Military Secretary to Government or the Government Solicitor, with the view of moving the High Court to obtain such leave.

No. 6. From the Administrator General, to the Military Secretary to Government, Fort Saint George ; dated Madras, 19th June 1868, No. 1726.

Estate—Private J. Bowler.

As suggested in your letter of the 11th January last, I addressed the President, Prize Committee, Cannanore, the accompanying letter and parcel, but they were nevertheless returned by the President, Prize Committee.

2. To prevent further inconvenience, I would suggest that a communication from you should be made direct to the several Prize Agents and other Military Officers up the country, acquainting them that letters addressed to them "Bearing," and superscribed as on Estate business, and endorsed in the corner with my signature, should be received ; or what would be still better that you should permit me to send on to you all such letters for the purpose of being forwarded by you. This, of course, would be necessary only in estates where I have no funds to pay postage.
