CIVIL WORKS, No. 65.

G. O. No. 3,801, dated 6th December 1867.

In November* last the Officiating Director General of Telegraphs in India represented the unsuitability of the building occupied as the Telegraph Office at Tuticorin, and requested that a sum of Rupees 12,000 might be provided in the Budget for 1868-69 for the erection of a proper building for that purpose. The Government remarked that the Budget having been closed, no provision could be made in it, but they requested the Superintending Engineer of the 8th Division to submit a plan and estimate for the work. This Colonel Wilkieson now does, and His Excellency the Governor in Council, in sanctioning the estimate of Rupees 15,400, directs that, as there is a likelihood of funds being available during the current year, the work be entered in the Budget for 1869-70.
