Proceedings of the Madras Government, Public Department,

13th August 1868.

No. 90. Read the following Proceedings of the Government of India, Foreign Department, (Telegraph).

From the Assistant Secretary to the Government of India, to the Chief Secretary to Government, Fort Saint George; dated 24th July 1868, No. 32.

I have the honor to forward a telegraph message, which appears objectionable in this Department, and to request that the Officer* named may be called upon to pay the cost, or to submit an

explanation of the circumstances under which the existing rules of the Telegraph Department have been infringed.

2. It is requested that the message may be returned with the explanation.

Telegram from H. G. TURNER, Esq., Jeypore, to the Chief Secretary to Government, Fort Saint George; dated - (Received) 6th April 1868.

I will relinquish my Police appointment if all the advantages consequent on passing both standards be conceded to me from date of relinquishment.

No. 91. To the Secretary to the Government of India, Foreign Department, (Telegraph), dated Fort Saint George, 13th August 1868, No. 983.

I am directed to acknowledge the receipt of your letter, dated 24th July last, calling for an explanation of a telegraph message to which objection has been raised as being of a private nature.

2. In reply I am to observe that Mr. Turner, the Officer who despatched the message to which objection is raised, was called upon by Government by telegram to state whether he was willing to relinquish his appointment in the Police. Until his reply was received, it was not possible to make arrangements for selecting an Officer for the difficult Police charge of Jeypore, and a saving of time in obtaining an answer was of real importance to the public interest.

3. Under these circumstances the Government are of opinion that Mr. Turner acted properly in replying to Government by telegraph.
