*Proceedings of the Madras Government, Public Department,
22nd July 1869.*

No. 161. Read the following letter from the Secretary to the Committee for the Examination of Assistants, to the Chief Secretary to Government, Fort Saint George; dated Madras, 9th July 1869, No. 118.

I am directed to inform you that the Committee have come to the conclusion that the examination papers given in the Examination for Honors, High Proficiency, Elementary Test, &c., in languages, should be printed or lithographed. At present the papers are set in manuscript, and no copies of them are available for record or for distribution to candidates who are anxious to know the nature of the examinations.

2. The papers which are printed will be prepared at the Government Press as heretofore, and no special application to Government is needed on that account; but when the vernacular paper is intended to test the candidate's power of reading native writing, it will be desirable to have it lithographed in *fac simile*, and I am directed to request that the President may be authorized to incur the necessary expense from time to time. It will be very trifling.

No. 162. ORDER THEREON, 22nd July 1869, No. 1026.
The Committee's proposals are sanctioned.
