Proceedings of the Madras Government, Public Department,

22nd July 1869.

No. 163. Read the following letter from the President of the Mayaveram Municipal Commission, to the Chief Secretary to Government, Fort Saint George; dated Point Calimere, 10th July 1869, No. 103.

As directed in paragraph 6 of the G. O., dated 18th May 1869, No. 653, I have the honour to submit revised estimates* for the Municipality of Mayaveram for 1869-70.

*A., B. and C.

2. It will be seen from Statement A. that Rupees 6013-10-7 are provided for the expenses of the police, and Rupees 3466 for the construction of police huts, including a sum of Rupees 450 for the purchase of the ground for the same.

3. The sums of Rupees 3775 and Rupees 3788, originally allotted for new works and repairs, have now been reduced to Rupees 2115, and Rupees 2521, respectively.

4. An increase of Rupees 1496 is also shown in the estimated receipts for 1869-70. This has arisen from the tolls having been let for a larger amount than was expected, and from the corresponding increase in the Government contribution.

ENCLOSURES 3.—Returns.

No. 164. ORDER THEREON, 22nd July 1869, No. 1027.

The revised estimates of the probable receipts and disbursements in the Mayaveram Municipality for the year 1869-70,

submitted with the foregoing letter, show that the amount to be raised is Rupees 16,392, which is Rupees 1122 in excess of the estimate reviewed in Order, dated the 18th May last, No. 653. This excess has arisen from the tolls having produced a larger revenue than was at first expected. The State contribution (Rupees 5464) is also in excess of the amount originally estimated by Rupees 374.

This is ascribed to the expenditure proposed to be incurred having been raised from Rupees 20,360 to Rupees 21,856.

2. The revised estimates call for no further remark, and are approved and sanctioned.
