*Proceedings of the Madras Government, Public Department,
29th July 1869.*

No. 196. Read the following letter from the Master Attendant, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 28th July 1869, No. 5442.

Administrative Department.

With reference to the papers marginally noted, and the orders of Government thereon, dated 21st July 1859, No. 1019, I have the honour respectfully to suggest that the European, who is sent in charge of the mails, and who will be paid by the Postal Department, be held solely responsible for their delivery on boardship, and be intrusted with the documents which accompany them, the Mail Sergeant remaining on the beach to be ready to receive the papers when landed.

2. If this is not to be the rule, the same divided authority will exist, which has led, within the last few months, under a new Postmaster, to unpleasant correspondence, which from the first I have deprecated.

3. I have engaged a highly-respectable European seafaring man as Mail Agent, and I recommend that his pay be not less than Rupees (60) sixty per month.

4. The new arrangements, with the permission of Government, will take effect from the 1st proximo.

No. 197. ORDER THEREON, 29th July 1869, No. 1055.

The Governor in Council sanctions the salary of Rupees (60) sixty per mensem proposed to be given to the Mail Agent, and directs that the arrangements authorized in G. O., dated the 21st instant, No. 1019, be brought into force from the 1st proximo.

2. The Postal authorities will, as directed in paragraph 3 of the order adverted to, be responsible only for the delivery of the mails on the beach to the Officers of the Marine Department.
