*Proceedings of the Madras Government, Public Department,
30th July 1869.*

No. 213. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 14th July 1869, No. 67.

With reference to the order noted in the margin, I have the honour to report that the number of male convicts in the Jail at Masulipatam sentenced to rigorous imprisonment was very small from

Judicial Department, 12th June 1869, No. 797.

July 1868 up to June 1869, the highest average number for any one month during that period having been fifty-nine, and it does not appear that there was any difficulty in finding labour for them within the jail precincts, but the number has recently been augmented by a draft from Guntoor, since which time a gang has been employed outside in digging gravel, carting clay, &c., &c. The Superintendent now informs me that he can spare a gang of thirty-six to the Municipality if required.

2. If the gang is granted gratis, I think the cost of the guard should be borne by the Municipality.

No. 214. ORDER THEREON, 30th July 1869, No. 1064.

The Government are willing to grant the services of the gang of thirty-six convicts to the Municipality at Masulipatam, as a special case, for the purpose specified in the concluding paragraph of the Acting President's letter, dated 31st May 1869, No. 134.

2. As suggested by the Inspector General of Jails the cost of the guard must, however, be paid for by the Municipality, and the Inspector General should communicate with the Acting President on this point.
