*Proceedings of the Madras Government, Public Department,

Read the following :—

No. 32. To THE HONOURABLE R. S. ELLIS, C.B.,
Chief Secretary to Government,
Fort Saint George.

The humble Petition of MANGADOO
GOPAUL PILLAY, an Imposer in
the Government Printing Establish-
ment, Public Works Department, Fort
Saint George.

HUMBLY SHEWETH,

That your petitioner, with due deference, begs very humbly to solicit that you will be kindly pleased to submit the following prayer for the favourable consideration of His Excellency the Right Honourable the Governor in Council.

2. That your petitioner begs to state that he was an Imposer in the Government Printing Establishment on a salary of Rupees 20 per mensem, and his services in this department extends over a period of ten years, during which time he begs to state, for the information of His Excellency in Council, that he always rendered satisfaction in the discharge of his duties and by regular attendance.

3. That your petitioner, owing to unforeseen circumstances which he begs to relate below, and with which he was unable to contend, was compelled to have recourse to the Insolvent Court, where his unfortunate case was adjudicated, and he was duly discharged.

4. That your petitioner begs to state, for the information of His Excellency in Council, that the circumstances under which he became involved in debt were mainly owing to a continuous litigation in the Civil Court of Chingleput, which was begun by the petitioner's brother in the year 1851 and terminated in 1868, for the recovery of certain ancestral property in which petitioner and his brother were concerned.

5. That your petitioner begs very respectfully to set forth the facts of such litigation before His Excellency in Council. Petitioner, in conjunction with his late lamented brother, held eighty cawnies of land in the village of Mangadoo, Sydapet taluq, in the Chingleput district, which was laid claim to by other parties. Petitioner's brother, on his own and on petitioner's behalf, opposed their claims, and petitioner, as a shareholder of the property, was compelled to assist him, from time to time, with monies to proceed on with the suit, and which petitioner was obliged to borrow to obtain the object they had in view, the recovery of the aforesaid property. The monies were borrowed with the assurance to be re-paid; but, having lost the suit, they were unable to liquidate the debt so borrowed for the purpose. If success attended your petitioner and brother, he would have sold the property and punctually paid those who financially aided them. The most melancholy event which occurred at this juncture of affairs was the death of petitioner's brother. By the chances of law, and by the decree of the Almighty, the suit was lost, and petitioner's lands were surrendered to his opponents. The law expense swelled to an enormous amount, as is exhibited and described in the Schedule with petition, which is at present with H. Morgan, Esq., the Superintendent.

*Proceedings of the Madras Government, Public Department,
3rd August 1869.*

6. On the death of petitioner's brother, the creditors grew clamorous and fell upon petitioner for payment of the debts so incurred. Petitioner's present position and circumstances only enabled him to offer a compromise; but his arrangements not being acceptable to them, he was compelled to seek, for the first time, the benefit of the Insolvent Act.

7. That your petitioner begs very humbly to submit, for the prominent notice of His Excellency in Council, that he was compelled to lay out Rupees 756 and odd to carry out the suit; but, on the dismissal of the suit, he was further obliged to pay all costs to opponents, amounting to Rupees 568 and odd, exclusive of the sum above noted.

8. That your petitioner begs to explain that the item of Rupees 330 was incurred to defray the funeral expenses of his brother and other incidental expenses arising from his brother's illness, and towards his support.

9. That your petitioner begs very respectfully to submit his unfortunate case for the favourable consideration of Government, and to bring to their notice that he has been thrown out of employ owing to his having passed the Insolvent Court. From the explanation petitioner has offered above, he begs humbly to solicit that His Excellency in Council will be pleased to view his case favourably—a circumstance over which petitioner had no control having compelled him to adopt the course he has taken.

10. That your petitioner begs leave to state that he did not wantonly throw money to satisfy any extravagant or imprudent taste on his part, but solely and truly with a view to regain an ancestral property which was laid claim to by the evil machinations of his enemies, and which was inevitably lost through the chances of litigation.

That petitioner begs also to state that, through his sober habits, he was enabled to acquire some property—a house and three salt-pans—which he was also forced to surrender in mortgage in the prospect of recovering an immemorial property left by his ancestors.

12. The reverses of fortune were the main causes of his present straitened circumstances. Petitioner is now left penniless, and has to provide for a family of eight members. The loss of employment tells very forcibly on himself and poor family, who have become a prey to want and poverty. He, therefore, beseeches that His Excellency in Council will favourably consider his pitiable and deplorable case and order his restoration to his situation and Government service, or declare him eligible for public service, as was done in the cases of Tippoo Hoossain, Clerk in the Office of Public Works Accounts, and others.

13. For which act of justice and benevolence your most humble petitioner, as in duty bound, shall ever pray.

MADRAS,
14th July 1869.

ORDER THEREON, 3rd August 1869, No. 1086.

M. Gopaul Pillay was formerly entertained in the Government Press, but was suspended in consequence of his insolvency. He now prays for restoration on the

ground that his insolvency is due to a protracted litigation which he and his late brother carried on without success in the Civil Court at Chingleput for the recovery of the ancestral property of the family.

2. An examination of his Schedule seems to bear out his assertion. His debts amount to Rupees 1664-4-7, of which Rupees 917-9-7 are clearly traceable to the litigation in which he and his brother were engaged. In consequence of his brother's death he was obliged to bear the whole responsibility. The remaining items in the Schedule are said to relate to advances obtained for the current expenses of the litigation, and for the expenses of his brother's funeral.

3. The assets (real property) are valued at Rupees 330, and petitioner enjoyed an income of Rupees 20 per mensem from the Press Office, and Rupees 21-6-0 per annum the produce of certain salt-pans at Ennore said to be self-acquired property.

4. Under the foregoing circumstances, the Governor in Council is pleased to restore M. Gopaul Pillay to his position as Imposer in the Press.
