No. 59. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 20th July 1869, No. 273.

I have the honour to submit, for the favourable consideration of Government, a request made, through the Deputy Inspector General of Hospitals, Mysore and Ceded Districts, by 2nd Class Hospital Assistant Tekaram, in medical charge of Police at Cumbum, that an extra allowance may be granted him on account of the additional duties imposed on him by the charge of the Civil Dispensary recently opened at that place.

2. An extra allowance of Rupees 10 monthly has already been sanctioned for the Medical subordinates in charge of Police at Ongole and Munjeri on exactly the same grounds now urged, and I beg, therefore, to recommend that the same allowance be granted to the Hospital Assistant at Cumbum.

Cumbum, for the charge of the

In a paper D. Shome sent me
today, Shome objected to the
payment of some 10 or 5 rupees
a month to a doper in
charge of a Dispensary for
looking after the sick of the
Police. Since writing my
department Shome came across
an order recently received from
the Sup: Govt. prohibiting such
payments. The order on which
is a remark by Mr. Ashburn
had better be made public
accordingly. - I think the place
