*Proceedings of the Madras Government, Public Department,
13th August 1869.*

No. 95: Read the following despatch from the Right Honourable the Secretary of State for India, to His Excellency the Right Honourable the Governor in Council, Fort Saint George; dated India Office, London, 11th February 1869, No. 1, (Sanitary.)

I herewith forward to your Excellency in Council three copies of a Hand-book of Vaccination, by Edward C. Seaton, M.D., and Medical Inspector to the Privy Council.

2. It appears to me that this work might advantageously be placed in the hands of officers employed in vaccination, and, with the approval of your Excellency in Council, the Sanitary Department might be authorized to procure as many additional copies as may be required.

No. 96. ORDER THEREON, 13th August 1869, No. 1139.

This despatch will be communicated to the Sanitary Commissioner and to the Inspector General of the Indian Medical Department, to whom copies of the Hand-book referred to will be furnished. Dr. Mackenzie and Dr. Ranking are authorized to procure the number of copies of the work required in their respective departments.

(True Extract).
