Read the following papers :—

No. 113. From the Collector of Malabar, to the Chief Secretary to Government, Fort Saint George ; dated Calicut, 22nd July 1869, No. 74.

No. 114. From the Secretary to the Government of Bombay, Marine Department, to the Chief Secretary to Government, Fort Saint George ; dated Bombay Castle, 29th July 1869, No. 535.

I have the honour to acknowledge the receipt of your letter, No. 856, of 22nd June, and to state in reply that a Tug Steamer, the *Rustom*, which the Superintendent of Marine considers suitable for the purpose, will certainly be available for the conveyance of Mr. Logan, Captain Basevi, and their attendants, to the Laccadive Islands in November next.

2. His Excellency in Council, however, is desirous to provide more thoroughly convenient accommodation for the party than the *Rustom*, as he supposes, would afford ; and he made further inquiries which have caused the delay in replying to your letter.

3. There is some uncertainty as to the disposal of the several vessels which may possibly be available ; but the *Rustom* shall at worst be at the disposal of the Madras Government for the purpose ; and His Excellency in Council hopes to provide a larger and more convenient vessel.

No. 115. ORDER THEREON, 16th August 1869, No. 1152.

The foregoing letter from the Bombay Government will be communicated to Mr. Logan, through the Collector of Malabar, and to Captain Basevi. The latter is informed that Mr. Logan wishes to embark from Calicut on the 15th November, and that as that date would appear, from Captain Basevi's letter of the 5th June last, likely to suit his convenience, it has been fixed upon for the embarkation, and intimation accordingly given to the Government of Bombay.
