Sir,

In acknowledging receipt of
the Proceedings of Government N^o 1069,
dated 2^d Instant, I have the honour
to point out that great difficulty is,
and will be experienced, in providing
second class passage for A. O. Howard, he
being supplied with fresh provisions
during the voyage. The "Star of India"
and "John Allou", the only vessels by
which it would have been convenient
to send him, have both declined to
afford him passage.

Proceedings of the Madras Government, Public Department,

No. 170. Read the following letter from the Deputy Master Attendant in charge, to the Chief Secretary to Government, Fort Saint George; dated Madras, 16th August 1869, No. 4768.

In acknowledging receipt of the Proceedings of Government, No. 1069, dated 2nd instant, I have the honour to point out that great difficulty is, and will be experienced, in providing second-class passage for A. O'Hara, he being supplied with fresh provisions during the voyage. The *Star of India* and *John Allan*, the only vessels by which it would have been convenient to send him, have both declined to afford him passage.

2. I, therefore, solicit permission to engage a second-class passage by P. and O. Steamer, leaving about the 19th instant, for the invalid referred to, the cost of which will be Rupees 552-8-0

No. 171. ORDER THEREON, 23rd August 1869, No. 1180.

Under the instructions conveyed in paragraph 3 of the despatch from the Right Honourable the Secretary of State, dated the 20th May last, No. 45, the Government are precluded from sanctioning so large an outlay as Rupees 552-8-0 for the passage to England of A. O'Hara. The Acting Master Attendant will, therefore, be requested to endeavour to procure a passage on some sailing vessel at a reduced cost.

Requesting the Acting Master Attendant

from the Home Government, from sanctioning

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter *from the*
Dy. Master Attendant in charge.
(Here enter 16 August 1869)
N^o 462.

Order thereon. 23 August 1869. No. 1100.

Proceedings dated
21st July 1869. N^o 179.

Under the instructions con-
sented in paragraph 3 of the
Despatch from the Right Hon-
orable the Secretary of State
dated the 20th May last N^o 45,
the Government are precluded
from sanctioning so large an
outlay as Rs. 552-8-0 for the
passage to England of A.
O'Hara. The Acting Master
Attendant will therefore be
requested

requested to endeavour to
procure a cheaper passage.

The correspondence entered in these
books relates to three insane
seamen; but the Register of
the S of State for London concludes
by instructions in regard to
"pauper insane patients" of
which O'Hara is one.
The S of State allowed £12
for a passage & £10 additional
for labour can be claimed by the
insane patient. -
I think £25 should be
suffice for a case like this
passage.

The papers from the Home
Lyth contained in the
London Pro: of Feb 2/
21st July. 69. No 179. seem
to preclude sending O'Hara
home by the P. & O Steamer
at so large an outlay as
£52. 8. and I submit
that the Deputy Master
Attendant be requested to
endeavour to procure his
passage to England at a
smaller cost, altho' it may

involve some delay.

O'Hara is suffering from
chronic diseases but does
not appear to be in a
condition wh. will make
a short delay dangerous
to life. - M

I would not hurry the
matter but do as you
propose.
