*Proceedings of the Madras Government, Public Department,
24th August 1869.*

No. 176. Read the following letter from the Inspector General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 13th August 1869, No. 306.

With advertence to paragraph 2 of the Order of Government marginally noted,

Public Department, No. 1078, of 3rd August 1869.

I have the honour to state that I am not aware of any services rendered by First Class Hospital Assistant Vencataswamy

Naidoo that call for the special recognition of Government.

2. Even were this otherwise, the creation of a title such as that now recommended, one hitherto unheard-of in the Department, and scarcely compatible with the position of a Dresser, would, in my opinion, be most undesirable.

3. I may add that Vencataswamy Naidoo's connexion with the Dispensary he is now attached to is only temporary. He is, like all other medical subordinates, liable at any time to be removed, either on emergency, or in the ordinary routine of the service; and, under these circumstances, his bearing the designation of "House Surgeon" would certainly be found hereafter very embarrassing.

No. 177. ORDER THEREON, 24th August 1869, No. 1186.

The Government concur in the opinion expressed by the Inspector General of the Indian Medical Department in the letter above recorded, that it is not desirable to confer on W. Vencataswamy Naidoo the honorary title of "House Surgeon" to the Masulipatam Dispensary.
