Proceedings of the Madras Government, Public Department,
30th August 1869.

No. 191. Read the following letter from the Inspector General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 12th August 1869, No. 301.

A retrenchment recently made by the Examiner of Medical Accounts has brought to my notice that in the Rules for the superintendence and management of Lunatic Asylums in this Presidency, framed in March 1868, the diet scale for Europeans and East Indians, published in G. O., No. 194 of 1857, has been inadvertently entered, instead of the more suitable one subsequently laid down in Proceedings of Government, Public Department, No. 1016, of 28th September 1865.

2. I have the honour, therefore, to request that Government may be pleased to sanction the substitution of the latter for the former scale in the Asylum Rules.

No. 192. ORDER THEREON, 30th August 1869, No. 1207.

His Excellency the Governor in Council authorizes the substitution in the "Rules for the superintendence and management of Lunatic Asylums in the Presidency of Madras," of the "Diet Table," sanctioned in G. O., dated the 28th September 1865, No. 1016, for "European and East-Indian patients," and directs that the "Diet Table" embodied in the Rules be considered as cancelled.
