Proceedings of the Madras Government, Public Department,

30th August 1869.

No. 193. Read the following letter from the Magistrate of North Arcot, to the Chief Secretary to Government, Fort Saint George; dated Chittoor, 17th August 1869, No. 47.

In continuation of my letter of the 8th instant, No. 44, I have the honour to report, for the information of Government, that the Superintendent of Police writes to me from Calastry to say that "the banghy dacoity case has not yet been detected, and that there is strong reason to believe that the runners are implicated in the crime; very little property has been stolen, only three packages being missing; one of these is guncaps, value Rupees 4-8-0. A reward of Rupees 100, if given, would, I think, facilitate the detection of the case."

2. I was not aware, when I made my first report in the matter that the Superintendent of Police had gone himself on receipt of the intelligence to Calastry to conduct detective operations.

3. Meanwhile I have issued a proclamation offering a reward of Rupees 100 to any person who shall give such information as will lead to the apprehension and conviction of any of the perpetrators of this daring outrage.

No. 194. ORDER THEREON, 30th August 1869, No. 1208.
